## Prayer for the beatification

1

God our Father, you gave Jean-Marie de la Mennais, a generous heart and an unwavering zeal to make known and loved your Son Jesus and his Gospel.

Grant us to follow his example.

Give us the courage to build united and fraternal Communities. Help us to proclaim your Gospel to the youth of today.

For the glory of your Name, grant that the holiness of Jean-Marie de la Mennais may soon be recognised and proclaimed by the Church.

Deign to grant us, O Lord, through his intercession, the healing of the persons recommended ... Through Jesus Christ, our Lord. Amen.

*O Lord Jesus, glorify your Servant, Venerable Jean-Marie de la Mennais*

## News of the Postulation

Actually the dossiers of the "Cause" is in the hands of the Chancellor of the Vice Secretary who will prepare the "*Revisa du Summarium*" for the Novas Res printers. This will consist in verifying that in the printed documents all the necessary rules (translations, procedures of the different processes, witnesses, etc.) have been followed. Once this work is finished copies will be handed to two doctors chosen by the Congregation of the Saints. If at least one of them gives a favorable opinion the work then passes to the *Positio* That is to say the *Summarium* at which a brief biography of the Founder and the time scale of the healing will be added. Following this whatever the outcome the Consulta, that is to say the committee of the seven doctors who rule on the authenticity of the cure, providing that at least 5 of the 7 doctors give a favorable opinion. So now we just have to wait...
