Give us the courage to build united and fraternal Communities. Help us to proclaim your Gospel to the youth of today. For the glory of your Name, grant that the holiness of Jean-Marie de la Mennais may soon be recognised and proclaimed by the Church. Deign to grant us, O Lord, through his intercession, the healing of the persons recommended ... Through Jesus Christ, our Lord. Amen.
O Lord Jesus, glorify your Servant, Venerable Jean-Marie de la Mennais

News of the Postulation

The process of the recognition of the cure is on course. It is moving little by little but it is still moving forward. A new advance, the *Summarium* the document that must be submitted to the doctors has just been confided to a member of the Congregation for the causes of the saints.

Brother Dino, the Postulator, will be invited to share in the work of re reading the document, correcting eventual errors, and to replace them with citations or texts so as to render the document more readable. This will eventually require more time and more patience. We ourselves need to continue to pray with faith and fervour.
