News from the Postulation

Currently the diocesan phase of the process of recognition of the alleged cure of the young Josette Poulain is being concluded. The witnesses have all been heard. The testimonies were collected. The healed person was seen by two expert doctors appointed by the Tribunal.

From now on it remains to write the minutes of the various meetings, to put them in order and to officially approve them. Thus, the following will be drafted: the *original copy* of the whole procedure (to be kept in Rennes), the *transunto* (the copy of the original to be deposited in Rome) and the *public copy*. During the closing session, the name of the "bearer" will be indicated, that is to say the one who will bring the whole file to the Congregation for the Cause of Saints, which will then proceed to the final examination.
