God our Father, you gave Jean-Marie de la Mennais, a generous heart and an unwavering zeal to make known and loved your Son Jesus and his Gospel. Grant us to follow his example. Give us the courage to build united and fraternal Communities. Help us to proclaim your Gospel to the youth of today. For the glory of your Name, grant that the holiness of Jean-Marie de la Mennais may soon be recognised and proclaimed by the Church. Deign to grant us, O Lord, through his intercession, the healing of the persons recommended ... Through Jesus Christ, our Lord. Amen.  
*O Lord Jesus, glorify your Servant, Venerable Jean-Marie de la Mennais*

## News of the Postulation

At the moment the Summarium is on the point of an examination. It will be necessary to allow more than a month to make the complete re reading line by line of the completed document and to verify that the translation corresponds to the original, that the canonical order is respected, that the complementary documents that the postulator holds are valid and if there are any things in addition that the parties lack.

If everything goes well then we will be asked to provide a short biography of the founder and the FATTISPECIE, that is the document of the SUMMARIUM. This SUMMARIUM together with two introductions are called POSITO and will be given to the two doctors for a preliminary examination. If at least one is favorable then we will move to the Medical Consultation. However let us not move too quickly!! Meanwhile we need to pray, to pray, and to support and urge the authorities in the Congregation of the Saints.
