News from the Postulation

Services at the Holy See have resumed their rhythm of work after many weeks of confinement. Brother Dino, the Postulator, is once again in contact with the Congregation for the Causes of Saints, to take stock of the file on the healing of Josette Poulain. The work continues.

It involves putting together all the documents to be presented to the commissions for examination, i.e. the documents from the first Process (1957) and those from the second Process (2019), the later will be presented with its Italian translation including the certificates of expert Doctors.

Brother Dino is being helped by Bro. Eugenio Manoni to translate the documents. The “*Fattispecie*” (narration of the facts of the accident and the healing) already written must undergo some modifications to put it in connection with the other documents.

What remains is to write a brief biography of the Founder.
