News of the Postulation

The preparation of the dossier of the recognition of the healing, as presumably miraculous, advances bit by bit. Negotiations are taking place between the Congregation of the Causes of Saints, the Postulator, Brother Dino, and the company that prints the *Summarium*.

They have to insert the final corrections into the document which will be given to the doctors to this will be joined to the *Fattispecie* that is to say what has happened since the accident to Josette Poulain and the cure. together with a brief biography of the Founder.
