News from the Postulation

The procedure at the Congregation for the Causes of Saints continues, but drags on a little bit.

Around mid-January, the procedure that started with the handing over of the dossier brought from Rennes will be completed. From then on it will be possible to withdraw the *Copia Publica* which will allow the Postulator to start writing the *Positio*.

This being done, all the documents will be passed on to expert doctors for study. In the meantime, there will still be one formality: making the request for “legal validity” of all the procedures of the supplementary processes in Rennes.
