Convened!

From August 2023 to April 2024, we are invited to live three highlights.

From August 1-6, 2023, Pope Francis will meet young people from all over the world in Lisbon. In their pilgrimage to Portugal, he proposes to them to imitate the attitude of Mary who rises and leaves in haste to see her cousin Elizabeth (Lk 1:39). A representation of the Christian journey, the young Daughter of Nazareth teaches us to say 'yes' to God. A woman standing, eager and active in charity, she accompanies us in our mission to proclaim the Gospel to all by word, but especially by the witness of our lives. *Will we dare to respond to this convocation of the Church by setting out following Mary's example?*

From October 4-29, 2023, the Synod on Synodality brings together Pope Francis, Cardinals, Bishops, Priests, religious Men and Women and Laity in Rome. Participants are invited to listen to each other and to all of them, listening to the Holy Spirit. It is a call to walk together by virtue of the equal dignity conferred by baptismal grace. The meaning of the journey, to which we are all called, is above all that of rediscovering the face and form of a synodal Church where «everyone has something to learn». *Will we be able to join hands to build together this new common home based on communion, participation and mission?*

From March 26 to April 24, 2024, the Brothers of Christian Instruction of Ploërmel will celebrate their 28th General Chapter. At Mary's school, we want to learn to be servants of hope by daring to ask her Son to anticipate his time, by listening to, and putting into practice his Word, by filling our jars with water, by drawing and bringing the good wine to the Master of the meal. *Will we respond to this important appointment of the Lord for our Family?*

Three assemblies in eight months but it is the same Lord who summons us and the same Spirit who gathers us. May we experience these three events as one "Kairos" (a time when discernment is essential and right for the accomplishment of a crucial action).

The Lord passes...

Will we wait for another convocation?

Why delay? Let us take with Him the path of life.

Brother Hervé Zamor, s.g.

A transforming camp at Lake Paterson

«During the past 16 years that I spent at the Notre-Dame Juniorate in St-Romuald, Quebec, Mennaisian values were transmitted to me through behaviours, words, animations and writings, all of which invited me to open up to others.

With time, and by observing the people around me, I understood that this opening up to others was not only that of the mind, but also and especially that of the heart. This is what we were invited to learn about during the Mennaisian camp. Thus, we learn, in the greatest simplicity, that it is in the acceptance of oneself and the other that our minds can unite and that the most beautiful things can be achieved».

Chapter

Heading towards 2030 to serve hope

From March 26 to April 24, 2024, 45 Brothers will be gathered at the FIC Chapter in Ariccia, Italy. Objectives? Review the recent years, revise the 'Rule of Life', and enlighten the road up to 2030.

Explanations in 7 points.

What is a Chapter?

As the supreme authority of the congregation, the Chapter's mission is to ensure the vitality of the mission received and to listen to the calls of the Holy Spirit expressed through those of the Church and the world. The Chapter thus sets the main orientations and entrusts to the Superior General and his Council the task of implementing what has been decided.

Call for a new beginning

«The theme '**Servants of Hope**' is in line with, and gives meaning to, what our Congregation is currently experiencing,» said Bro. Hervé Zamor, Superior General. At the heart of our weaknesses, the first sign of Jesus at Cana (Jn 2:1-11) shows us what we can expect from Mary, our Mother: strength in our struggles, consolation in our sorrows, hope in our failures and joy. Together with the Major Superiors gathered in 2022, we welcomed it as a call for a new beginning.»

1 month in 5 parts

5 moments will punctuate this Chapter month which will be lived in Italy. First of all, a time will be devoted to a spiritual retreat, personal and collective preparation. The assembly will then organize the re-reading of the last six years and the Superior General will present his report on this subject. Another rather long time will be devoted to the elaboration of the new 'Rule of Life' on the basis of all the preparatory work.

Are the Laity concerned?

«As in a family,» explains Bro. Hervé Zamor, sg, «the Laity are invited to prepare this highlight of the Institute with the Brothers. It is a great opportunity to reread together the path traveled. This moment concerns us all. Everyone will have to contribute to ensure that this chapter celebration reflects both the rich diversity of our cultures and the profound fraternity that brings us together in following Christ.

It is at the Casa Divine Maestro, on the heights of Arricia, not far from Castel Gandolfo, that the 28th Chapter, and the 8th in Italy, will take place.

The revision of the 'Rule' gave rise to much work on the part of the Brothers throughout the congregation. Here, meeting in Pointe-du-Lac, Quebec, Canada, with the Dean and Vice-Dean of the Congregation, on Wednesday, May 10, 2023. More than 206 years of life/love gathered to take lunch side by side: Bro. Roger LeBlanc, 104½ years old (left), and Luc Frenette, 101½ years old!

Participants: 45 capitulants

14 ex-officio members and 29 elected members will participate to the Chapter. These **43 members with voting rights**, along with the **2 members of the General Administration** without voting rights will form a group of **45 members**.

The 29 members to be elected will come from the following provinces or districts: 2 from St Michael The Archangel: Tanzania-Kenya, 8 from St Teresa: Uganda, 2 from St John Paul II: DRC Congo - Rwanda, 1 from St Paul – Benin-Togo-Ivory Coast and Senegal, 1 Divina Providencia – Argentina-Uruguay-Chile-Bolivia-, 3 of Jean de la Mennais: Canada-USA-Mexico, 2 of St Louis de Gonzague: Haiti, 1 of St-François-Xavier: Indonesia-Japan-Philippines, 2 of Nuestra Senora del Pilar: Spain, 7 of St Jean-Baptiste: France-Italy.

Preparatory prayer for the General Chapter

Mary, Servant of Hope, at the wedding at Cana,
you make yourself considerate, and you intercede with your Son Jesus.
In our name, present to Him today the Mennaisian Family's needs.
In His time, He will know how to answer them: thus, from our shortcomings
and out of our fragilities will emerge a new life.
In this time of preparation for our 28th General Chapter,
trusting in your maternal thoughtfulness,
we want to imitate your faith and your audacity,
and to offer today's children and young people the new wine of the gospel.
Teach us, like you, to welcome your Son Jesus
and to accomplish whatever He will tell us.
Make us servants of hope, compassionate witnesses, and attentive,
courageous, faithful and bold, joyful to walk after their Master.
God alone in time! God alone in eternity! Amen!

coach of my student life today?

Unexpected and unprecedented! 20 students of 20 years of age from the BTS operational commercial management MCO, from the Lycée La Mennais in Ploërmel, France, experienced a very lively workshop last Friday, April 14th. «To be a coach of my life»? It means getting to know myself better, listening to how others talk about my qualities, sharing my vision of success, and being inspired by two witnesses.

These witnesses are: Gabriel Deshayes – founder and co-founder of religious congregations and social initiatives – Antoine Faber, former CEO of the Danone Group and committed to the creation of new ethical economic references. In the end, two hours of exchanges and strong words heard: «It's too much certitude to be digested at one time in my life!»

The BTS students have discovered the inspiring personality of Gabriel Deshayes. This workshop is available to many young people.

Meeting with a friend of Fr. de la Mennais, Mgr François Maupied

Bro. Arsène Pelmoine, already author of an issue on the figure of Mr. Querret, invites us to discover the personality of François Maupied, friend of Fr. de la Mennais.

Born in La Poterie, near Lamballe, (Bretagne), France, in 1814, François Maupied joined the minor seminary of St Méen, led by Fr. de la Mennais and to whom he became a close friend. Becoming a priest, professor at the Sorbonne and holder of three doctorates - natural sciences, zoology and theology - he studied in Rome and participated in the First Vatican Council (1869-1870). He was a friend and confidant of Jean-Marie de la Mennais, maintained a rich correspondence and participated in the retreats of the Brothers.

Director and founder of the St. Mary's Institution in Gourin: his last assignments were Guingamp and Lamballe until his death in 1898. In the dossier of the Cause of the Father, François Maupied writes: «I find the greatest resemblance between Jean-Marie de la Mennais, his qualities, virtues and works, and Saint Francis de Sales.»

«Give me your love!»

«A lot of young people feel like they're on standby.
Poverty is different today.

Material well-being is present in many places.
But it is often the relationships that cause suffering.
Young people feel lonely and waiting.
This is where listening is important.

For projects to live, to go far,
The participation of Brothers and Laity is important.
We are together. It is the same mission.

To give food to young people who are in distress,
with the gaze of Christ.
At a time when we can be defeatist, we share the taste for life.

I want to say: Let us be even more brothers!
Our founders – Jean-Marie and Gabriel – are very modern.
And we could go further.

Young people tell us:
